بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

﴿ الَّذِينَ آمَنُوا يُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالَّذِينَ كَفَرُوا يُقَاتِلُونَ فِي سَبِيلِ الطَّاغُوتِ
فَقَاتِلُوا أَوْلِيَاءَ الشَّيْطَانِ إِنَّ كَيْدَ الشَّيْطَانِ كَانَ ضَعِيفًا ﴾

Those who believe fight in the cause of Allah, and those disbelieve fight in the cause of Taghoot: So fight ye against the friends of Satan: feeble indeed is the cunning of Satan.

All Praise be to Allah, and may peace and blessings be upon the final Prophet, Muhammad, and all his family and companions. To proceed:

By the Guidance and Grace of Allah, a lion from the lions of Tehrik-Taliban Pakistan sold his soul to Allah in hopes of Paradise, slamming his explosive-laden vehicle into the house of one of the filthiest creatures in the world, the apostate Chaudhry Aslam Khan, Senior Superintendent of Police (SSP) and the head of the Anti-Terrorism Unit of the Criminal Investigation Department (CID) of Karachi.

This filthy apostate was one the most wanted targets of the Mujahideen, due to his atrocities against the beloved slaves of Allah who sought nothing other than to raise His Word.

We say to this filthy apostate creature: You call us cowards for attacking you in your home with your family...aren't you the one who snatches the Mujahideen from their families from their homes in the midst of night, locking them in your dungeons with your godless executioners?

You call us worse than Hindus... while it is you who are a worshipper of Satan and his army, fighting for him and his cause.

Indeed now you should know that when the Mujahideen make a threat, they follow it through. Know that we are a people who never tire from killing your likes, and we do not despair from repeating the likes of this operation to pluck your rotten head. If you were spared this time, know that the war has not ended, and indeed the Allah grants respite to the oppressor, as the Prophet (ﷺ) said, "Indeed Allah grants respite to the oppressors until the time comes for Him to take him, and when He does, He does so ever-so severely".

Know, O enemy of Allah, that there are many who wish to sacrifice themselves and tear apart their bodies in your pursuit, so beware of more operations to come which will do away with you for good, Allah willing!

Know, you enemy of Allah, that we will never rest nor find peace of mind until we exact retribution for your crimes against our brothers and sisters who you steal from their homes and make naked.

We say to all those who support the Tawagheet: Indeed you will taste the wrath of Allah, whether at the hands of the Mujahideen or at the Hands of Allah. Repent from your infidelity before death strikes you suddenly, and stop your support the infidels and the Tawagheet and become supporters of Allah and His Shariah.

We say to the Muslims of Pakistan, that the Mujahideen of Tehrik-e-Taliban Pakistan will continue to target the police, the army the security agencies, and all others who are allied with the West in their Crusades against Islam. Indeed these filthy creatures fight the beloved slaves of Allah, while the infidel West and their slaves plunder Muslim life, land and wealth. Their only job is to guard the West and their interests and to fight Islam and Muslims. They are the soldiers of the Tawagheet who suppress, subjugate and humiliate the Muslims of Pakistan, while killers, rapists and robbers are left to run amok and wreak havoc in the streets of Pakistan .

Indeed these are your true enemies, not your brother Mujahideen, who have sacrificed the comfort of their homes, their wealth, their security and their lives in defense of Islam and Muslims. Know your friends and know your foes, and join hands with the Mujahideen and aid the Cause of Allah.

As for those who were killed of the general Muslim public in this operation, we ask Allah to raise them amongst the martyrs, while we emphasize that these Ta-wagheet are the first and foremost to be held responsible for their death, as they intentionally choose to live amongst the general masses, while they know that they have received threats and are being targeted, only to use innocent Muslims as human shields from the attacks of the Mujahideen.

Thus, we advise all Muslims to stay clear from all areas of enemy presence, so that they do not become collateral damage in the attacks of the Mujahideen.

We ask Allah to accept this noble lion, who sold his soul to You in Your defense and cause. Raise him from the martyrs, and make his blood a source of guidance for those after him, and fire for the infidels and apostates.

May peace and blessings be upon his Prophet Muhammad, and all praise be to Allah, the Lord of all that exists.

(وَاللّٰهُ الْعِزَّةُ وَالرَّسُوْلُهُ وَاللِّمُوْمِنِيْنَ وَلٰكِنَّ الْمُنٰفِقِيْنَ لَا يَعْلَمُوْنَ)

“And all honor, power and glory belong to Allah, to His Messenger, and to the believers, but the hypocrites know not.”
